O R D E R

IT IS ORDERED that Mountain Water District ("Mountain Water") shall file an original and 10 copies (2 copies of engineering-related materials) of the following information with the Commission, with a copy to all parties of record within 30 days from the date of this Order. Mountain Water shall furnish with each response the name of the witness who will be available at the public hearing, if one is held, for responding to questions concerning each item of information requested.

1. Provide a 24-hour pressure recording at the location of each complainant.

2. Provide a map which shows the location of the new tank, the tank overflow elevation, the location of each complainant, and all connecting mains and appurtenances.

3. Provide the case number under which the tank and relocated main were approved by the Commission.

4. Provide hydraulic computations, narratives, or analyses necessary to demonstrate that the proposed improvements will correct problems with service to each complainant.
